

Thy Kingdom Come!

Dear Regnum Christi members of northern Ohio, *pax Christi*,

We have been blessed over the past years with dedicated leadership by Dan O'Boyle and Joanne Reich. The term of a section director is normally 3 years, and so we are conducting a survey to gather your feedback on whether Dan/Joanne should continue for another 3 year term, or if there is someone else that the Holy Spirit is preparing to take on this role. Please click on the corresponding link below and fill out the survey before February 3.

- Men <https://www.surveymonkey.com/s/5MNBVVC>

- Women <https://www.surveymonkey.com/s/MDB2BPQ>

Several of the questions in the survey will also give us some initial feedback for our annual planning meeting for Regnum Christi that will take place on February 4 in the evening. Dan O'Boyle will provide further details on the logistics for that meeting. All RC members are welcome to attend the planning. In that evening session, we will:

- 1) Review the basic principles and orientation for planning from the RC Territorial Committee – as regional director for Regnum Christi, I will present this portion and facilitate the next two points
- 2) Conduct an analysis of our strengths and weaknesses, as well as what we discern the Holy Spirit is asking of us
- 3) Establish the high level objectives for Regnum Christi in northern Ohio for the next year

Everyone who attends the planning session should come with their knowledge of the current reality of Regnum Christi in northern Ohio, the situation of the Church, what you have reflected on in prayer regarding what we should focus on in this next year, any initiatives, and proposed dates for the most important formation and events for 2015-2016.

After we have all agreed on the high level objectives in this initial meeting, each section will subsequently work during February and March on their more specific planning. God willing, in April we will have an opportunity to gather again to collate all the plans, dates and events so as to finalize the planning for next school year.

May God bless you abundantly!

Fr Daniel Brandenburg LC
