Subject: FW: Two new videos to view and share -- consecrated women and Legion seminarians

[Great new video from our consecrated women!](#)

Today the Church celebrates the World Day of Consecrated Life, and we renewed during mass, our vows to follow Christ more closely in poverty, chastity, obedience, and our particular promises of service, humility, availability and communion. Pray for all of us. May Christ, the son of Mary and spouse of consecrated women, be our joy and crown on this earth until he brings us to the eternal wedding feast in his Kingdom. Amen!
